Steppe was followed by Rick Kruger, the representative for the insurance for the School System.

He presented Krieger with a check that goes to the Systemwide Teacher of the Year.

"We appreciate the opportunity to serve the employees of the school system," he said. "We congratulate each one of the Teachers of the Year. Right now, we want to provide special recognition to your systemwide Teacher of the Year."

"We want to provide

April with a token of our appreciation for being recognized at Union County Schools' Teacher of the Year," he said.

Superintendent Steppe followed by asking the crowd to give all five Teachers of the Year a big applause.

"I can't tell you how proud we are of each and every one of you," Steppe said. "You're a credit to the profession."
