A key component of community fire adaptation is that there is not one set bulb that triggers the reduction. There are many tools that, when used together and strategically, reduce risk. And it is not the responsibility of one or two individuals, but the responsibility of everyone who lives and works in the community. Fire adaptation happens when local multi-jurisdictional stakeholders work together to identify risk, mitigate it, and maintain the work overtime.

Food Bank

In 2021, the Bell Ringing Union County website was created to mark the 100th anniversary of the Union County High School. This website provides an online directory of local businesses, organizations, and individuals who are interested in supporting the school. As of May 5, 2021, there are over 100 businesses and organizations listed on the website, including local restaurants, shops, and service providers.

The Bell Ringing Union County website is a great resource for anyone looking to support the Union County High School. It is a user-friendly platform that makes it easy to find and connect with local businesses and organizations.
