Volunteers Needed

Union County Fire Department is a combination department meaning that it has both career and volunteer firefighters. We are always looking for more volunteers that are capable of being able to operate safely and to be able to respond to the many different types of calls that are required of the fire department. If you want to help the community, you are more than welcome to ask, "Is this right for me and what can I do?"

On October 2, 1996, I joined Union County Fire Department. I was part of the fire department. I had been on the fire department for about two years in order to respond to car accidents. I was a volunteer firefighter, and I was there for about five years. I was there for about five years before I went back to city work. To be a firefighter, it is very important to me to be a volunteer firefighter because you have to be a volunteer firefighter to be able to know the organization, you are accepting a lifestyle. It is not for every-

For the most part, the firefighters have three universal traits. First, they are Mother Teresa's, second, they love their jobs, and third, regardless of what the weather is, they try to help the people. There are many different types of things that firefighters love to do, and the most important thing is that they love to help people.

In our time, we have seen many firefighters who have said that we are not a jack of all trades, we are a master of all the trades and it is true. Firefighters love the challenge of learning something new, and they are always ready to help the people.

The best part of being a firefighter is knowing that you are helping people. People need help, and we are here to help them. We are here to make sure that they are safe, and we are here to make sure that they are taken care of.

Casualties of War

Dear Editor,

Thank you for the recent coverage of the local wildfires. The destruction caused by the wildfires is a tragedy that has affected many people.

Many families are facing a difficult time as they rebuild their homes and lives. It is important to support those in need and to come together as a community to help.

If you are interested in helping, please consider making a donation to a local charity that supports those affected by the wildfires. Your support can make a significant difference in the lives of those who have been impacted.

Sincerely,
